LD 676

I'm Tony Costello from Fryeburg ME and I'm writing to oppose LD 676

removal of the track would effectively remove a vital transportation asset from western Maine forever, cutting the region off from economic growth and prosperity. a railroad has expressed interest in running trains on this line, and as per the Rail Preservation Act any non-rail use is to be treated as interim until a railroad presents itself. As the Conway Scenic Railroad has presented itself, any trail use whether planned or constructed must cease while the railroad is heard out.

I want to thank the board members and hope they will vote "Ought Not to Pass" on LD 676."
