

Mary Jensen
Dayton
LD 676

April 3, 2025

Senator Nangle, Representative Crafts, and Honorable Members of the Joint Standing
Committee on Transportation

My name is Mary Jensen, I live in Dayton.

I support LD 676 because as a child I was always outdoors wandering our and the neighbors properties through the woods. I loved growing up in the outdoors. As an adult, I spent many happy times hiking through the woods with my son's Boy Scout Troop. Now, as a retiree, I enjoy getting together with my retiree friends to walk the trails. The Mountain Division Trail is one of my favorites. I would love to see it maintained and expanded so that I and others may continue to enjoy it for many decades to come.

I thank committee members for their consideration and urge them to vote: "Ought to Pass"

Thank you
Mary Jensen
