Paulette Tateishi Gorham LD 676

My name is Paulette Tateishi and I live in the town of Gorham, Maine. I support LD676. I have contributed funds to maintain and expand the bike trail on the Mountain Division Trail. I'm a senior citizen who tries to stay active in safe ways. I like to ride my bike but I try to avoid sharing the road with cars. I also feel more secure on paved paths. My favorite trail to ride my bike is the scenic, paved Mountain Division path. I hope I live long enough to see this trail expanded.
