LD 160

I URGE you to vote OUGHT TO PASS on LD160, An Act to Eliminate REAL ID Requirements in Maine. A REAL ID does not provide any proof of citizenship in the U.S. Therefore, it should not be used a such for the purpose of voting. Voting is legally for citizens only. Therefore, the Secretary of State should not be offering a REAL ID service. They should be making sure that EVERY VOTE is a rightful voter and is a citizen of Maine and the Nation. We need to eliminate the potential of someone thinking they may vote because they have a REAL ID. Illegally voting is a criminal act and it may get them deported and/or ineligible of ever becoming a citizen and or voting again in this country or state. I URGE you, save these people that fate. Do away with the REAL ID which isn't real in the sense of being a citizen. STOP the confusion for these people and let them become citizens the right way. They will Thank you for doing that for them, I'm sure! I Thank you for doing that!
