Presented by

Representative – Robert W. Nutting, R. Oakland, 4 – Republicans and 1 – democrat

Testimony by

Steven C. Sheppard

Honestly this act should help “certain” veterans be exempt from those big excise payments for a new car

***especially. Excise is expensive for veterans enough.
No excise would be a “sweet Judgement”.***

I will try hard for the militia and the veterans of Maine especially. This act would help
when excise taxes can be so hard on a veteran with limited income.
