

GARY FARLEY  
SWAN'S ISLAND  
LD 304

As a resident and Select Board member, I would like to express my opposition to LD 304. We currently have a Ferry Advisory Council that is composed of one member and one alternate from each Island who no doubt already have a pretty good handle on what transportation needs are for each respective Island. Adding this new layer of bureaucracy will only be an attempt to overshadow and undermine the importance of our already existing Ferry Advisory Board. I feel this an attempt to delay pending bills that affect our Island Community. Thank you for your time.
