

Chris Duffy
Shamrock 207 Farms

Good Morning,

My name is Chris Duffy, a Partner in Shamrock 207 Farms and a United States Marine Corps Veteran. I fully support the proposed LD421 to increase the plants a medical marijuana caregiver may cultivate. The ability for a caregiver to increase their plant count, is the ability to increase medicine in which our patients need. It will allow for storefronts to be able to stock more of their own product, and most importantly allow for other caregivers to carry that product so patients who may not be able to get to your area would have the chance to obtain the same medicine. I strongly urge the committee to pass this bill and help Maine Caregivers reach as many patients as possible.
