Summary Text LD 580 HP 423 RESOLUTION, Proposing an Amendment to the Constitution of Maine Regarding Early Voting

This resolution proposes to amend the Constitution of Maine to allow the Legislature to authorize a process by which municipalities may conduct early voting by allowing voters to vote in the same manner as on election day during a period immediately preceding an election and to allow absentee voting for any sufficient reason.

This bill is taking away the TOWN CITIZENS power to determine how you will vote in your town AND the legislature will determine HOW voting is done in your town including taking AWAY reasons for absentee voting. Loosing local control and giving it to the Legislature.
