

Loretta Dyer  
Yarmouth

My name is Loretta Dyer and I live in Yarmouth, Maine.  
I cannot believe this is even being proposed to allow 16 year old children to vote. Voting is such a privilege and requires some maturity to process and understand complex issues. Their brain isn't even developed yet. Sixteen year olds cannot buy tobacco, alcohol, treated as adults in our court system or join the military. They are still children. They cannot make legal decisions because they are MINORS.  
Let them be minors and let's not pretend they are adults. They are NOT!!  
Please vote "Ought Not To Pass" on LD706
