

Mark Chasse
Auburn

To the Members of the Veterans and Legal Affairs Committee Regarding LD 664 An Act To Strengthen the Integrity of the Maine Clean Election Program.

My name is Mark Chasse from Auburn. I am not a lobbyist or a member of any special interests group. I am an American citizen and a resident here in the Great State of Maine. Although I am strongly opposed to my tax dollars being used to fund any candidate for any office, I do understand that it is law here in Maine.

I strongly encourage you to vote "OUGHT TO PASS"
