

Mandaley Howe  
Scarborough

To the members of the Veterans and Legal  
Affairs Committee regarding LD 664 An Act to Strengthen the Integrity of the Maine Clean  
Election Program:

My name is Mandaley Howe and I live in Scarborough. I am not a lobbyist or a  
member of any special interests group. I am an American citizen and a homeowner in  
Maine.

I do understand that it is law here in Maine that my tax dollars fund candidates in  
office, though I do not agree that they should be. But I'm really infuriated to see that a  
law is needed to mandate that candidates who abuse my tax dollars are investigated.  
This really should be common sense!

So I very strongly encourage and urge you to vote "OUGHT TO PASS"
