Dear Senator Luchini, Representative Caiazzo, and members of the Veterans and Legal Affairs Committee:

I support LD 231. It is important for people to be engaged in their democracy. For the unenrolled voter to be able to engage at the primary election for the candidate of their choice brings each voter closer to the candidates and the candidates closer to the people. While perhaps counter-intuitive, the semi-open primary is an excellent party building tool. What better way to engage the unenrolled in the mission of ones party than to bring them to the polls. Please vote in favor of your party; vote in favor of LD 231. democratically yours,
