

Carla Spencer  
Golden Harvest & Carl's Meat Market

Hi!

My husband and I own 2 small businesses in Kittery....Golden Harvest (of which we have owned for 23 years) and Carl's Meat Market (15 years). I am concerned of the impact the passage of LD1093 would have on our businesses. Beer and wine combined annual gross sales for our 2 stores has grown to over 1 million. I would think the passage of this bill would be a detriment not only to us and other businesses that sell beer and wine but also to the state, based on potential loss of collected taxes. Bottle deposits is another matter. We strongly oppose the passage of this bill.
