

Cyrus Clark
Kittery

Dear Committee Members,

Thank You for your time. My Name is Cyrus Clark and I am a Caregiver in the State of Maine. I am writing in opposition to LD1319. State Licensed Dispensary Licenses should not be limited. The Caregiver License is a limited canopy and the State Licensed Dispensary License is an opportunity for Caregiver's to expand production capabilities with higher Tiers of Canopy Size. LD1319 Limits the ability for Caregivers to be competitive in the Medical Cannabis Industry. State Licensed Dispensary Licensing is an opportunity for growth for caregivers not competition.

Cyrus Clark
