Hello,
I am writing today in support of LD1405. I am an employee of Lewiston Raceways, Inc in Lewiston. If this bill passes, it will substantially help our OTB. We have really struggled since reopening in July of 2020. The limited number of people allowed and the curfew significantly impacted our business in a negative way. Allowing sports wagering to be tethered to the OTBs will not only increase our business tremendously, it will also bring in a younger crowd. Please vote yes to pass LD 1405
