

James Andrews
Sidney
LD 175

To our Representatives on this committee:

I am writing today, February 1, 2025, in regards to LD 175, which I am asking you to pass. Only legal residents of the United States should have the right to vote, period. We need to do everything we can to ensure fair and secure elections, just for starters. Thank you for your time.

Yours Truly,
James Andrews
