

Members of the Committee on Veterans and Legal Affairs, I am writing to express my strong support for LD 175. It is crucial that we protect our elections by ensuring that only individuals with permanent residency in Maine can vote. As a college student in this state, I believe that those who truly reside here should have a voice in our electoral process. Voters must have confidence that their votes matter and are not overshadowed by non-residents. I urge you to prioritize and pass LD 175 to safeguard the integrity of our elections. Thank you for your attention.

Sincerely,

Olivia Ground
