LD 199

I am submitting testimony to ask you to vote "OUGHT NOT TO PASS" on LD199, An Act to change the limits on Candidates' Communication with Voters at the Polls. I do not think candidates should be kept from taking to their potential constituents on their way to vote. Many may never have seen or heard of them before, and it would be beneficial for them to do so before they vote to alleviate any misconceptions about them. They have a right to be heard and the voter has a right to be informed. Please vote Ought Not TO Pass on LD199.
Thank you!
