LD 158

I am writing testimony to urge you to vote "OUGHT TO PASS" on LD158, An Act to direct the Secretary of State to establish a date each year for voting by absentee ballot. The idea that this isn't practiced in the state of Maine is unbelievable to me. It opens up the chances of mishandling absentee ballots and illegitimizing the outcome of Maine elections. Absentee ballots are already a very uncontrolled means of voting. If you add a wider and more uncontrolled period to vote, it will only make it more out of control. Absentee ballots are being used far too often and for more and more poor reasons. Therefore, I urge you to vote OUGHT TO PASS and help keep our elections more legitimate!
Thank you!
