LD 175

I am writing to urge you to vote "OUGHT TO PASS" on LD175, RESOLUTION, Proposing an Amendment to the Constitution of Maine to Ensure THAT Only Citizens of the United States May Participate in Elections. It would seem very obvious to me that only people who are citizens of the U.S. should vote in our elections. It is the way all countries make sure that the laws of the people, who have a vested interest in their country and whose money pays for their country, are the ones voting as to how the country spends its money and what laws these people have to abide by. No one who isn't a citizen should be able to change our laws. It is the right of every country to make sure their citizens are the ones voting in elections. Vote OUGHT TO PASS. Thank you!
