Hello, I support LD 718 “An Act to Require Municipal Clerks to Issue Absentee Ballots Only to Residents of That Municipality and to Eliminate Ongoing Absentee Voter Status.”

This is so reasonable and makes so much sense. Why give ballots out to folks not allowed to vote? I get that a family member can pick up, or a designated caretaker can pickup. That is okay.

Do NOT issue absentee ballots forever. People die. People move. There is so much evidence that the ballot roles are out of date. Scrutiny and integrity need to be tightened. Citizens/residents have a right and privilege to vote. Integrity must be upheld.

Please vote in favor LD 718 Thank you, Margaret Myatt, Kennebunkport, ME
