I support LD 492 “RESOLUTION, Proposing an Amendment to the Constitution of Maine to Provide for Parental Rights.”

This is a no-brainer. Parents should and must have the ultimate authority over their children's actions and activities. For school administrators and other professionals to usurp parental rights of responsibility and control is wrong and scary. It would be like a dystopian sci-fi movie. Parents know best. At least they have that right! Third parties are not an option....
