LD 718

I strongly urge you to PASS LD 718, An Act to require municipal clerks to issue absentee ballots only to residents of that municipality and to eliminate ongoing absentee voter status. First of all, obviously no one that isn't from a municipality should vote in that municipality. That goes without questions. Secondly, the fact that someone is sent an absentee ballot, year after year with no one checking that they are still at the same address or living, is ridiculous. If someone wishes to vote by absentee ballot, they should request it every year. This makes sure, hopefully, that they are still there at least. It won't do away with all fraud, but it might help do away with some of it. We need to keep our voting safe and legitimate. Please vote OUGHT TO PASS and help bring us one step closer to that possibility! Thank you!
