In Opposition of LD266

March 10, 2025

Hello, Senator Hickman, Representative Supica and the honorable Veterans and Legal Affairs Committee,

I am Jeanne Marquis, a resident of China, Maine, and a member of the Town of China Selectboard. LD266 An Act to Require the Updating of Voter Registration Signatures is another blatant attempt at voter suppression. On the surface, it appears like regular maintenance, but what this bill does is put up another barrier to voters and an excuse to kick legal registered voters off the rolls. It is completely unnecessary. Signatures do not change that often. I have had the same signature since college as most everyone else I know.

As a selectboard member, I also know this bill, if it would be in effect, would cost every town money for numerous staffing hours. Taxpayers do not deserve this added expense.

I urge you to vote NO to LD 266 An Act to Require the Updating of Voter Registration Signatures. Thank you for your consideration.

Sincerely,
Jeanne Marquis
