LD 266

I am Linda Mills, a U.S. citizen and resident of Newcastle. LD 266 An Act to Require the Updating of Voter Registration Signatures appears to address a problem that has not affected the outcome of any elections, and it creates one more thing eligible voters have to do to retain their right to vote. This would make it harder for eligible voters to vote which is voter suppression. This is a waste of your time and a waste of taxpayers' money. I am against this bill.
