LD 1356

I VERY STRONGLY URGE you to vote OUGHT NOT TO PASS on LD1356, An Act to Change the State's Method of Allocating Electoral Votes from a Congressional District Method to a Winner-take-all Method Contingent on the State of Nebraska Changing its Method of Allocating Electoral Votes. This is a very strange bill. I'm not sure what Nebraska has to do with our voting methods or why they should have anything to do with them! This sounds like nothing more than a National Popular Vote on a state level. First of all, if we lose a District, we lose an Electoral vote. Second, why is it "contingent" upon Nebraska doing the same thing. When did we decide to run our state based on what another state is doing. It sounds like collusion to me. Trying to taint the election to fit a purpose. It isn't broken, so don't "fix" it! Just because you don't like the outcome, doesn't make it wrong. The only fair way to deal with the elections is through the Electoral College. PLEASE VOTE OUGHT NOT TO PASS on LD1356 and make sure we don't use Electoral votes to elect our State and Federal positions. Thank you!
