LD 1149

Dear Members of the Veterans and Legal Affairs Committee,

Please do not support LD 1149, an act to limit our voting rights.

I have been a voter for almost 50 years. In the past 5 years or so the only way I could cast my ballot was via absentee voting. I am not sure why anyone would think denying voting access to those unable to get in a car and drive to vote would be a good idea.

Targeting voting access of those who are disabled, poor, sick, workers, home with young children, and/or elderly is an awful thing to do.

I urge you to not support this attempt to undermine voting access.

Do not support LD 1149.

Thank you,
