LD 1149

members of the Joint Standing Committee on Veterans and Legal Affairs,

I am testifying in opposition of LD 1149. I oppose this bill because these restrictions can and will harm every type of voter, with senior and rural voters experiencing the worst of the disenfranchisement. It will be costly, too. Taxpayers will be on the hook to pay for a new system.

Additionally, all of the evidence suggests that voter IDs don't prevent voter fraud. Maine has safeguards in place to prevent fraud, cyber attacks, and other kinds of foul play that would attempt to subvert our elections.

This proposal seems to be imported to Maine from an out-of-state playbook (see the latest Ohio voter suppression law) that just doesn't fit Maine. Additionally, thousands of dollars are being raised from out-of-state donors in order to push this on Maine voters.

Maine has strong voting rights. We are a leader in the nation. Our small, rural, working-class state has one of the highest voter turnout rates in the country. That's something to be proud of. We rank this high because of our secure elections, same-day voter registration, no-excuse absentee ballots, and no photo ID laws required to vote.. I urge the committee to oppose this bill. Thank you for your time and for the opportunity to testify."

2) And if you feel sad not to be calling Susan today, call her and tell her that voting for the SAVE act is one of the most un-American things she can do as an elected official - besides ignoring her oath to defend the Constitution!
