LD 1149

Dear Senator Hickman, Representative Supica, and members of the Joint Standing Committee on Veterans and Legal Affairs,

I am testifying in opposition of LD 1149. I oppose this bill because these restrictions can and will harm all types of voters, especially those who are older and/or live in rural areas. We have evidence that voter IDs do NOT prevent voter fraud. We are doing great with fair and free elections in Maine without this unnecessary law. I'm super proud of Maine's high voter turnout and strong voting rights. Please don't try to "fix" something that is NOT broken.

I urge the committee to oppose this bill. Thank you for your time and for the opportunity to testify.

Sincerely,

Heather Kenvin, a 63 year old mom who votes every single time
