LD 1149

I am testifying in opposition of LD 1149. I oppose this bill because these restrictions can and will harm every type of voter, with senior and rural voters experiencing the worst of the disenfranchisement. All of the evidence suggests that voter IDs don't prevent voter fraud. It will also be costly. Taxpayers will be on the hook to pay for a new system. I urge the committee to oppose this bill. Thank you for your time and for the opportunity to testify."
