LD 1437

I STRONGLY URGE you to vote OUGHT TO PASS on LD1437, RESOLUTION, Proposing an Amendment to the Constitution of Maine to Specify the Qualifications of Electors in State and Local Elections. This bill would specify that ONLY CITIZENS of the United States of America are allowed to vote in any State or Federal elections. I can't imagine any country allowing people who aren't citizens of their country to vote on any issues for their country. Tax-paying CITIZENS, who are footing the bill for all the legislation or who runs the offices of that country should be left to their citizens. Citizens should be the only people allowed to make rules, spend money or say who runs their town, state or country. Other countries don't allow this because it creates havoc for the country. It is like turning the keys of your house over to a complete stranger and not expecting to be out on the street. It makes NO SENSE! I would NEVER consider voting in another country's election. That is totally up to the citizen of that country. AS IT SHOULD BE! PLEASE vote OUGHT TO PASS on LD1437 and make sure our elections are for CITIZENS ONLY. It's the law of our Constitution! Thank you!
