LD 1840 ought to pass

I am writing today to voice my support for LD 1840

LD 1840 protects Cannabis businesses from the government over reach of OCP and allows for what I think is the most important part of the Cannabis industry, Cannabis Events. This is a safe place for people to get educated about Cannabis. At the end of the day this is an important people need to have access to which people they can trust to teach them. These event provide that and so much more
