## Testimony of the Maine Municipal Association

### In “Conditional” Neither For Nor Against

LD 1820 - An Act to Simplify Regulation of the Adult Use Cannabis Industry  
May 5, 2025

---

Senator Hickman, Representative Supica and members of the Veterans and Legal Affairs Committee, my name is Rebecca Lambert, and I am providing conditional testimony neither for nor against LD 1840 on behalf of the Maine Municipal Association’s (MMA) elected 70-member Legislative Policy Committee (LPC). For reference, MMA is a nonpartisan, nonprofit member service organization and aims to help provide policy solutions that work for all residents in Maine and the LPC guides MMA’s advocacy efforts and establishes positions on bills of municipal interest.

MMA staff are in the process of polling its members for their thoughts on LD 1820, which will be discussed in-depth at its Zoom meeting on Tuesday. Updated testimony reflecting the Association’s official position will be submitted at that time. Thank you for your patience and considering the municipal perspective.
