LD 2155

Hello and thank you for allowing me to submit testimony in support of LD 2155. I am in support of this bill. Maine needs to be an advocate for businesses to open and sustain in Maine. This is one less restriction within our state to open a business and employ Mainers. Most brewery owners in Maine are supporters of other Maine breweries and serve their beer at their licensed restaurant. Thank you for your consideration.

Thank you,  
Jill Moses
