LD 2160

I would like to submit my support for LD 2160. As the owner of a small distillery for the last fifteen years, anything that can be done to reduce the burden of paperwork and fees that we now face would be most welcome. We've made progress over the last 10 year or so, but as this bill points out, there is still so much more that can be done to lower the cost of doing business as a small distillery in the state of Maine. I hope the members of this committee will recognize this and support this bill. Thank you.
