READ.

The SPEAKER: The Chair recognizes the Representative from Camden, Representative Doudera.

Representative **DOUDERA**: Thank you, Madam Speaker. Today we pause to recognize the American Red Cross and, as you heard, the incredibly wide scope of activities this organization accomplishes. And as we are also honoring Women's History Month, I want to lift up Clara Barton, who was the founder of the American Red Cross. I went to kindergarten at Clara Barton Elementary School, so, I feel a special kinship and my dad would always sing when we drove by; Clara Barton, Clara Barton, Clara Barton; so, it's fused in my head.

The American Red Cross responds to approximately 500 fires in northern New England each year, providing financial assistance for food, clothing and emergency shelter. Starting in April, our northern New England region is ramping up prevention efforts and taking the fire safety message to the cities and towns of New Hampshire, Maine and Vermont. Teams of volunteers are going door to door in targeted neighborhoods, meeting with residents, sharing fire safety tips and installing free smoke alarms where needed.

I'm thrilled to say that the Maine kickoff for Sound the Alarm will take place in Camden and all are welcome. This incredible outreach relies on the hard work and dedication of Red Cross volunteers, our constituents and probably some of us in this room who come from businesses, schools, civic organizations and elsewhere in the community. Ninety percent of the Red Cross's work is done by volunteers.

Today, we know all about smoke alarms but it wasn't always that way. These lifesaving devices came into use a bit in the 1970s but they weren't included in new construction until the '80s. The widespread use of smoke detectors was a public safety initiative that this country chose to take on and as a result, lives have been saved.

Growing up in the late-1960s, as I did, there were no home smoke alarms. I was six years old when my parents woke my little brother up and I from a deep sleep and hustled us out into the cold winter night. We were renters in an old cape and the house was full of smoke due to a chimney fire. The firefighters arrived and told us that we got out just in time. We were incredibly lucky. What woke my parents up that night, what saved all of our lives, was our Labrador retriever. Home fires claim seven lives every day but having working smoke alarms can cut the risk of death in half. Today, we recognize and thank the American Red Cross for all the good work they're doing across our State, country and world, and especially for rallying volunteers to install free smoke alarms across Maine. The lives saved may be our own. Thank you, Madam Speaker.

Subsequently, the Joint Resolution was **ADOPTED**.
Sent for concurrence.

SPECIAL SENTIMENT CALENDAR

In accordance with House Rule 519 and Joint Rule 213, the following item:

In Memory of:

Richard H. Emery, Jr., of Montville. Mr. Emery had a 47-year career serving as a custodian at Walker School in Liberty. Devoted to the school and its students, he supported students going through hard times, helped with community events and checked in on and delivered food to students during the COVID-19 pandemic. Mr. Emery will be long remembered and sadly missed by his family and friends and all those whose lives he touched;

(HLS 174)

Presented by Representative ZEIGLER of Montville.

Cosponsored by Senator CURRY of Waldo.

On **OBJECTION** of Representative ZEIGLER of Montville, was **REMOVED** from the Special Sentiment Calendar.

READ.

The SPEAKER: The Chair recognizes the Representative from Montville, Representative Zeigler.

Representative **ZEIGLER**: Madam Speaker, Ladies and Gentlemen of the House, I would like to address you in regards to Richard "Dickie" Emery. Sometimes in life, you meet a person who is passionate about education but is not interested in teaching. It's true that the face of education is teaching in a traditional classroom setting. However, there are many people who teach outside of the four classroom walls. Richard "Dickie" Emery was one of those and he was well-known to the students of Walker School.

Dickie began working for RSU 3 at Walker School in November 1976; probably some of you weren't even born then; at the age of 19 and worked for 47 years as a building custodian, passing away at the age of 65 in the same building on January 17, 2023. When I was Chair of the RSU 3 school board, this building was one of the oldest in our district and Dickie kept it open so the students could learn. His wife, Joanne, has been a school secretary for 25 years and his mother worked there for 32 years, so, it's a family institution. This is a family deeply rooted in the community. The towns of Liberty and Montville both recently dedicated their town meeting books to Dickie in his memory. He will be remembered for all the lives he touched in a positive, accepting way, for his sense of humor and for all he contributed to the two communities he both lived in and worked. Thank you, Madam Speaker.

Subsequently, this Expression of Legislative Sentiment was **ADOPTED** and sent for concurrence.

The SPEAKER: The Chair is pleased to recognize the Representative from Carmel, Representative Thorne, who wishes to address the House on the record.

Representative **THORNE**: Thank you, Madam Speaker. When I was walking out of church the other day, I had a young lady from All Saints Catholic School who handed me this and it's a prayer for our troops and I just thought it was appropriate that I might be able to read it today. Lord, hold our troops in Your loving hands. Protect them as they protect us. Bless them and their families for their selfless acts they perform for us in our time of need. Please place a hedge of protection around each and every one. I ask this in the name of Jesus, our Lord and Savior. Amen.

The SPEAKER: The Chair is pleased to recognize the Representative from Old Orchard, Representative Gramlich.

Representative **GRAMLICH**: Thank you, Madam Speaker. I request consent to speak on the record.

The SPEAKER: The Representative from Old Orchard, Representative Gramlich, has requested unanimous consent to address the House on the record. Hearing no objection, the Representative may proceed on the record.

Representative **GRAMLICH**: Thank you, Madam Speaker. Thank you, Colleagues of the House. I know it's been a long morning. I won't take up too much of your time but you all just heard recognition of very dear friends of mine, Kathleen and Christopher Cooper. They actually live in Connecticut and Kat is probably my oldest best friend from college and she and her husband, who is a retired naval officer, are here today because Kat is an artist and Kat's artwork is displayed on loan from Connecticut in the State of Maine in the Environment and Natural Resources Committee for the next two years.

In the State of Connecticut, they do not have a five-cent redemption on the nips, the little alcohol bottles that we have that we see all over the roadside being littered and I don't think that nickel would make much of a difference there because it certainly doesn't here, Madam Speaker. However, Kat is a very gifted artist and she has knitted a steel skirt that is on a mannequin displayed with nips, which is in our Committee room. So, it's very appropriate that tomorrow we are having the Department of Environmental Protection do a bottle presentation and that piece will be displayed. It will be with us

for the next two years, Madam Speaker, and I encourage you all to take a look at it and I'm just so pleased that the artist has loaned us this piece for the next two years. Thank you, Madam Speaker.

By unanimous consent, all matters having been acted upon were **ORDERED SENT FORTHWITH**.

On motion of Representative ZEIGLER of Montville, the House adjourned at 1:09 p.m., until 10:00 a.m., Thursday, March 30, 2023, in honor and lasting tribute to Richard H. Emery, Jr. of Montville.
